We do not have a standard for diPPH only of PPH. We can contact Raj to follow-up.

Cindy,

I just received a text message from Raj Singhvi:

“Region 3 Lab has a DPPH standard. If they do, may I have 1 gm of DPPH?

Please let me know”

Cindy, if there is someone you want to delegate my emails to, just let me know.

My sense is you have enough to do...
